

Biography of Stan Wruble

- My daughter started kindergarten at SBCS in 2013, the same year I was appointed to the School Board to finish the term of the late John Stancati.
- I grew up on the south side of South Bend, attending SBCSC schools before graduating from the "old" Riley in 1990. I lettered in football and track & field at Riley, was involved in student government, National Honors Society, Band, and the Speech & Debate team.
- I attended Valparaiso University on an academic scholarship and was the first person from my family to graduate from college in 1994. I received a scholarship to Notre Dame Law School, where I graduated in 1997.
- I practiced law in South Bend (1997-2000) before moving to Chicago. After a major trial victory, I was asked to teach Trial Advocacy at Northwestern University Law School.
- Realizing South Bend has so much to offer and is a great place to raise a family, I moved back home in 2006.
- I manage my law firm, *Wruble & Associates*, am a part-time Public Defender, and an Adjunct Law Professor at the Notre Dame Law School.
- I was named to Michiana's "*Forty under Forty*" in 2010, and served as Board President for *Dismas House*. I am involved with *Young Professionals Network* and *Young Professionals against Poverty*. I am currently on the South Bend Redevelopment Commission as a SBCSC representative and a member of South Bend Rotary.
