Title I PARENTS' RIGHT-TO KNOW  
Parent Notification Letter

August, 2020

Dear Parents and Guardians:

In accordance with the Elementary and Secondary Education Act, Section 1111(h)(6) *PARENTS' RIGHT TO KNOW*, this is a notification from the South Bend Community School Corporation to every parent in a Title I school that you have the right to request and receive information in a timely manner regarding the professional qualifications of your child's classroom teacher(s). This information regarding the professional qualifications of your child's classroom teachers(s) shall include the following:

- If the teacher has met state qualification and licensing criteria for the grade level and subject areas taught;
- If the teacher is teaching under emergency or temporary status in which Indiana qualifications and licensing criteria are waived;
- The teachers baccalaureate degree major, graduate certification, and field of discipline; and
- Whether the student is provided services by paraprofessionals, and if so, their qualifications.

Our District is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable Indiana state requirements.

If you have any questions about your child's assignment to a teacher or paraprofessional, please feel free to contact your building principal.

Sincerely,

A handwritten signature in black ink, appearing to be "C. D. King", written over the word "Superintendent".
