Hamilton Traditional School is designed to provide children in grades K-5 the opportunity for academic, social and emotional growth in a highly structured back-to-basics learning environment. The school places a strong emphasis on high academic standards, student responsibility, appropriate conduct and active parental involvement. Enrollment in Hamilton is available to children whose parents agree to the admission criteria. Enrollment will be controlled by district, capacity and racial compliance.

K-5 students whose home school is Hay, Harrison, Lincoln, Madison, Monroe, Nuner or Wilson are eligible to apply for admission.

Hamilton Admission Criteria:

- Completion of application process (For all Magnet programs, including Hamilton, applications are accepted Jan. 8th through Feb. 16th for the following school year).
- Commitment to the traditional school philosophy requiring student self-discipline, homework completion, and dress code
- Parental agreement to a written contract to be actively involved, monitor homework, enforce discipline, and participate in school activities

Volunteer Opportunities

As part of our traditional school program, all parents are required to contribute at least three volunteer hours per family per year. The program that we use to track our volunteer hours is a national organization called "Three For Me." We find that many parents far surpass the required number of hours. There are a variety of opportunities available to accommodate various schedules.

Volunteer opportunities include:

- ♦ Classroom volunteers
- ♦ Read To A Child program
- ♦ Mentor program
- ♦ Lunch room volunteers
- ♦ Home workers
- ♦ PTO event coordinators and committee members

*Please keep in mind that in accordance with SBCSC policy, volunteers must complete a Limited Background Check with the office, and allow time for it to be sent in and approved before being allowed to volunteer in the building.
